		A partial/attendance waiver is only available for full-time AAHS junior and senior students on track to graduate and who have passed all their classes the preceding semester. Students who do NOT maintain good academic standing (grade checks every two weeks) may have the partial/attendance waiver withdrawn and the student will be placed in an Academic Intervention class until grades are acceptable.
		Juniors are eligible for one partial each semester and seniors for up to two partials per semester. Seniors must be enrolled in 6 blocks at AAHS with an assigned teacher.
		Counselor is to verify, via transcript, that the student is on track to meet graduation requirements.
		Excessive tardies and/or absences may result in denial or revocation of partial/attendance waiver
		If it is applicable, the student must provide his/her own transportation to and from school.
		The student may NOT be on school grounds during the partial/attendance waiver block.
		D20 will not be responsible for a student's safety or well-being during the time of the partial/attendance waiver.
		Partials/attendance waivers carry no credit and do not count towards graduation or athletic eligibility. Partial/attendance waivers do not appear on the student transcript.
		Approval of partial/attendance waivers is solely at the discretion of the Air Academy administration and may be revoked for behavioral, academic or attendance concerns.
		Parents and students assume all risks associated with attendance waivers, including District 20 graduation requirements, NCAA and CHSAA eligibility, and post-secondary education admission requirements. Student athletes should check the NCAA and CHSAA eligibility requirements before submitting a request for a partial/attendance waiver.
		If a student is not in good academic standing, then partial privileges may be revoked until all grades are passing and attendance concerns are remedied.
