

Freshman Class of 2028

Course Registration for the Media Arts Academy

Welcome to the course registration document for the Media Arts Academy at AAHS. As you may know, each Academy at AAHS is essentially a Career and Technical Education (CTE)-focused school-within-a-school.

Being a part of an Academy is selective. While any student may fill out this course registration sheet, only 60 seats are available per grade level. Student membership in the Academies at AAHS is granted through a rigorous process including the completion of an interest form, an in-person interview, and ongoing performance reviews during the school year.

If you are a person who wants to be one of the next generation of creative designers, performers, and communicators, this is the place to be. In the Media Arts Academy, you will gain valuable work experience and challenge yourself to earn industry certificates all while you are still in high school.

Please remember that while you can sign up for the courses below, you will not be fully admitted to the Media Arts Academy until you complete the interest form (see QR code below) and attend the in-person interview.

Here's how to get started:

- Complete your course selection (on the other side of this page).
- Fill out [the interest form](#) (You can also use the QR code below.)
- Participate in an in-person interview.
