Student's Name _____ Grade/Team _____
(Please Print)

In case of inclement weather and the District administrators call for an early release, my child, shall (please check one):

- Ride his/her regular bus home
- Ride home with _____
- Walk home
- Other _____

Parent Signature Date

Dear Parents,

Please fill out the form above instructing us on what procedure you would like us to follow in case of inclement weather conditions that result in an early dismissal. This will assist us in getting your child home safely. Some children tend to forget what to do when under stressful conditions. Remember, our buses will run and this is the best way to have your child get home if school is dismissed early. Please take time to write specific directions if you want them to do something different than they usually do. If directions are different on different days, please let us know.

Plans must be made in advance. It is virtually impossible to wait until the last minute and then try to phone home or to call the school; the lines are almost always tied up at these times.

Please review the "Emergency Closings" section in the Student Handbook to help your children on early dismissal days. **Listen to the radio, watch the local TV stations or check the district website (www.asd20.org) if the weather is questionable. In lieu of a call from Discovery Canyon Campus, you will receive an email via 20Alert.**

Thank you for returning this important paper to your child's teacher.

Sincerely,

Discovery Canyon Campus Administrative Team

*PreK- 5th Grade Students – please turn this in to your classroom teacher.
6th – 8th Grade Students – please turn this in to your Humanities teacher.
Teachers – please keep your class/team set for your reference in case of an early release.*
