

MEMORANDUM

TO: Parents, Students, Staff, and Visitors
Eagleview Middle

FROM: Dave Arnold
Compliance Specialist

DATE: August 13, 2024

SUBJECT: Asbestos Update

In 1986 the Asbestos Hazard Emergency Response Act (AHERA) was signed into law requiring all non-profit Public and Private Schools (D-12) to inspect for the presence of Asbestos Containing Building Materials (ACBM). Academy District 20 has completed the initial inspection of all buildings in the district and continues to monitor the status of any materials found during inspections. A copy of the inspection, subsequent re-inspections, and the Management Plan devised to keep in compliance with applicable regulations can be viewed at the main office of your school or at the Facilities Management office located at 10221 Lexington Drive, Colorado Springs, CO 80920.

Your school was inspected for asbestos on May 11, 1988, and asbestos containing materials were found. Be assured that students and staff are being protected from exposure by a perpetual program of control, inspection, and preventative maintenance.

Academy District 20 is committed to providing a safe and healthy environment for our students and staff.

Please contact the offices of Facilities Management at 719-234-1500 to discuss your thoughts and concerns regarding asbestos.

DA/rv

MISSION
We educate and
inspire students
to thrive.

VALUES
We believe people
are the heart of
our success.
—
We believe
relationships
matter.
—
We believe in
quality education.

VISION
We provide
creative and
personal learning
opportunities,
accessible to
all students,
preparing them
to thrive in an
ever-changing
world.
